## **BOB HOPE AIRPORT TO OFFER FREE SHUTTLE SERVICE BETWEEN AIRPORT AND DOWNTOWN BURBANK TRAIN STATION**

*Free Service Begins July 1; Airport Hopes to Encourage Use of Alternate  
Transportation, Especially on Metrolink Antelope Valley Line*

BURBANK, Calif., June 23, 2010 — The Burbank-Glendale-Pasadena Airport Authority will begin offering complimentary shuttle van service between the Bob Hope Airport and the Downtown Burbank Metrolink Station July 1. The Authority has entered into an agreement with SuperShuttle to provide the service.

“The free shuttle service is intended to enhance connections for Airport patrons who ride the Antelope Valley Metrolink line, which stops at the Downtown Burbank Station on its way to and from Union Station in Los Angeles,” said Dan Feger, Executive Director of Bob Hope Airport.

“We hope this convenient connection will help increase the use of alternate transportation modes to and from the Airport, which is one of our primary missions in the coming years. The Airport wants to play its part in addressing local and regional traffic issues that stem from dependence on private automobiles,” Feger added.

## FREE AIRPORT SHUTTLE

6/23/10

2-2-2-2-2

For rides originating at the Airport, passengers can request a SuperShuttle van ride to the Downtown Burbank Metrolink Station at the shuttle island in front of the Airport terminal at any time during normal Airport operating hours of 5:30 a.m. to 10:00 p.m.

Passengers wishing to catch a van at the Downtown Burbank Metrolink Station are advised to make advance reservations to ensure prompt pick-up, but they can also request the service without reservations, allowing 15-30 minutes for the shuttle van to arrive.

Shuttle passengers can make advance reservations at 1-800-224-7767. Immediate or after-hours service can be arranged at 818-558-3179.

The Authority will reimburse SuperShuttle \$10 for each passenger in a shared ride van, which is subject to multiple stops enroute. SuperShuttle is compensated at a flat rate of \$25 per van each way for a direct, dedicated nonstop van between the Airport and the Downtown Station.
